

Welcome Back Everyone

We hope all our families are well and had a restful summer break. I want to thank you all for your ongoing support over the last academic year and let's hope this year brings a more settled cycle to our pupils learning.

We are so pleased with how well the children have come back to school and settled back into routines. The school has been calm and pupils have been noted using their MIRROR values. A special thank you to all the Field Lane staff who have worked incredibly hard throughout the school holidays to get the school ready for the pupils return. Thank you for ensuring that your child is wearing the correct uniform and footwear, this really helps to get your child into 'school mode' and sets clear expectations.

Please continue to contact the school office if you need to speak to a staff member. If a face to face meeting is needed, face coverings and COVID visitors check must be completed before entering the school.

Polite reminder please ensure that your child has a PE kit in school everyday. Please also send in updated health care plans and medication to remain in school.

WOW

Have you seen our new bike and scooter parking area? We love it! Here are our new Sports Councillors. Children and staff are now invited to travel on their scooter or bike daily and they can park in our shelter. Bikes and scooters are left at your own risk, although the gates to the grounds are locked throughout the day. We would encourage the use of a correctly fitted helmet and ask that scooters and bikes are dismounted as soon as you enter the school gates.

Yesterday we held our first sports council meeting of the school year. We discussed a new project our school is taking part in called WOW and also their roles at lunchtime.

On Wednesday all the pupils were introduced to the WOW project via an online assembly and from Monday the Sports Councillors will be logging the way all the pupils in school travel to school. The pupils will then receive a monthly badge and we also have a class trophy, for pupils who use the below forms of active travel at least twice a week:

- Walk
- Scooter
- Cycle
- Park and stride (come in a vehicle and then walk from 10 minutes away)

We recognise that some of our families travel from further away. So we are hoping that 'park and stride' is something that will be manageable for you. We can't wait to tell you how it is going.
